Fruit Syrup Suggestions

Marionberry Glazed Ham

Whole Smoked ham – ask for it to be sliced and tied

1 Bottle Glenmore Farms Marion Blackberry Syrup

Cook ham according to directions in a roasting pan to catch drippings.

15 – 20 minutes before your ham is done, carefully cut the strings to allow the top of the meat to fan out. Brush or pour syrup over top of ham to cover.

Baste the ham once or twice with the pan drippings during remaining cooking time.

Refreshing Berry Spritzer

Stir one to two tablespoons of Glenmore Farms Marion Blackberry or Raspberry Fruit Syrup into a glass $\frac{3}{4}$ full of sparkling water or club soda. Adjust to your taste. Add ice.

Enjoy!
